## ABBY + CHRIS

This fun-loving couple made their grand exit just steps outside of the historic Cotton Exchange building in Savannah, Georgia.

Prior to the exit, guests were handed mini-canvas pouches full of lavender that had the words "Toss Me" printed on them. With bright oversized balloons from Art Pop in tow, this first moment as Mr + Mrs was captured. We'd call it a flying success!

Where were they headed next? A pedicab whisked them off to their sweet reception: a dessert bar packed with Southern confections.

Congratulations Abby + Chris! We wish you a lifetime of love.
